Central Committee
Communist Party of Greece

Dear Comrades,

GREETINGS TO THE COMMUNIST PARTY OF GREECE ON ITS 95TH ANNIVERSARY

The Communist Party of Britain sends its greetings and solidarity to the Communist Party of Greece on the occasion of its 95th Anniversary.

Our two parties have historically worked closely together in resistance to British imperialism and also to fascism. Today we jointly struggle against the European Union and its support for the forces of capital in our own countries and their drive to destroy democratic freedoms and trade union rights.

International unity and solidarity between Communists is today more important than ever in face of imperialism's new economic and military offensives.

Please accept our congratulations on your 95 years of struggle for socialism.

With Communist greetings

ROBERT GRIFFITHS

General Secretary
